Back to School Supply List

At the request of parents, we are posting the following suggestions for back-to-school supplies. Please understand that these are only **suggestions** for the supplies that your child might need or want during the course of the year. These supplies are **NOT REQUIRED**.

As the school year begins, different teachers may encourage students to purchase items that are not on this list. We realize that parents and guardians are eager to purchase various school supplies before the inventory runs out, but because of different teachers' preferences, unfortunately we cannot list these items.

Grades 7-12

- Backpack or Messenger Bag
- Pencils
- Pens
- Highlighters
- Markers
- Colored Pencils
- Glue Sticks
- Index Cards
